Read the following paper:-

Letter from G.W.Wells, Esquire, M.A., I.C.S., Collector of South Kanara, Mangalore, R.O.C.No.5160-25-A.6, - dated the 6th September 1925.

REFERENCE.

In their order No.1881 Misc., Revenue, dated the 19th August 1921 Government sanctioned the assignments, - free of initial payment, of sites near the taluk office in Karkal town, South Kanara District, to Government clerks on condition that the land should not be alienated without - the permission of the Collector, and the Collector was - given power to allow alienations only by Government officials transferred from the town and in favour of Government

officials stationed there. As an improvement, the Collector now proposes to prescribe the additional restriction that any infringement of the condition shall invalidate the grant and that Government shall have the right to reenter forthwith and take possession of the site or site and building. The addition serves to enforce the existing condition. The Board accordingly recommends the Collector's proposal for the sanction of Government. In cases of assignments already made the addition to the pattas will be made provided the assignees agree.
